JAN - NOV 2018 PROGRAMME

- 27 JAN** **Printing with homemade stamps**
Using leaves, polystyrene, string, vegetables and hands we'll be creating lots of interesting prints.
- 24 FEB** **Origami**
This ancient Japanese craft of folding paper has endless possibilities!
- 31 MAR** **Easter Crafts**
Join us for Easter weekend activities including Easter Bonnet making.
- 28 APR** **Giraffe Marionette Puppets**
Make your own string animal puppets.
- 26 MAY** **Air Dry Clay**
Learn how to texture clay to make fantastic bowls and animals.
- 23 JUN** **Pointillism for Children**
Using watercolours we'll be making artwork using the pointillism style
- 28 JUL** **Collaborative Collage**
Learn about colour theory and make a giant collaborative collage.
- 25 AUG** **Recycled Crafts**
Reusing materials helps save the planet. Come join us and learn how to create artwork out of CDs and other materials to make your own decorated pen pot.

- 29 SEP** **Autumn Mural**
Help us make a large painting using the bright colours of this season and leaves from the garden.
- 27 OCT** **Halloween Crafts**
Learn how to make creepy crawlies and other spooky crafts.
- 24 NOV** **Homemade Christmas Decorations**
Mini pine cone trees, snowflakes and all things festive!
